HYMN

Abide with me, fast falls the eventide;
The darkness deepens; Lord with me abide!
When other helpers fail and comforts flee,
Help of the helpless, O abide with me.

Swift to its close ebbs out life's little day;
Earth's joys grow dim; its glories pass away;
Change and decay in all around I see;
O thou who changest not, abide with me.

I need thy presence every passing hour;
What but thy grace can foil the tempter's power?
Who like thyself my guide and stay can be?
Through cloud and sunshine, Lord abide with me.

I fear no foe with thee at hand to bless;
Ills have no weight, and tears no bitterness.
Where is death's sting? Where, grave, the victory?
I triumph still, if thou abide with me.

Hold thou thy cross before my closing eyes;
Shine through the gloom, and point me to the skies:
Heaven's morning breaks, and earth's vain shadows flee;
In life, in death O Lord abide with me.

HYMN

Going home, going home, I'm just going home
Quiet light, some still day, I'm just going home

It's not far, just close by, Through an open door
Work all done, care laid by, Going to fear no more

Mother's there expecting me, Father's waiting, too
Lots of folk gathered there, All the friends I knew

All the friends I knew, I'm going home

Nothing's lost, all's gain, No more fret nor pain
No more stumbling on the way, No more longing for the day
Going to roam no more.

Morning star lights the way, Restless dream all done
Shadows gone, break of day, Real life begun

There's no break, there's no end, Just a living on
Wide awake with a smile, Going on and on,

Going home, going home, I'm just going home,
It's not far, just close by, Through an open door
I am going home, I'm just going home

Going home, going home
Going home, going home
