ST MICHAEL'S HEATING UPDATE

The work to replace the heating in St Michael's will be taking place during the week beginning 2nd February. Unfortunately, this means that there will be no access at all to the church building, including the toilet, during this time. The churchyard should be accessible, as usual, with the possible exception of the area around the porch. We are fully expecting the work to be completed in time for our services on Sunday 8th February.

Thank you for your patience and understanding.

Claire and David.

who with you and the Holy Spirit reigns supreme over
all things, now and for ever. Amen.
